

New Hope Christian Church

Disciples Making Disciples

My wife, Kara, and I have been attending New Hope Christian Church since 1991 as newlyweds. I have had the privilege to serve at New Hope with many others throughout the years in small groups, trustees, elderships, Upward soccer, VBS, and Panama mission trips. All of these opportunities have allowed me to grow in my faith, and we have been blessed by many who encouraged us along the way as we live our lives for Him.

I have been happily married for 25 years to my wife Kara and we have 3 children. Jenna graduated from Taylor University and works in the public health field; Eric is a student at Milligan College in Tennessee studying accounting; and Grant is a high school student at Brownsburg High School. We are looking forward to a spring wedding and welcoming Mike Prihoda into our family.

Kara and I graduated from Purdue University. I work in the timber, forestry, and wood products industry, and own a small company named Timber Steward, LLC. I purchase and harvest timber in the central and west central counties of Indiana. I am honored to serve God where I am called and assist New Hope Christian Church in making disciples. I want to help, support, encourage, and lead others to grow in Christ.
